

Boone County

Kentucky

On behalf of the more than 115,000 residents of Boone County, I would like to welcome you to our community. You will find Boone County to be a great place to live, work or visit! Boone County is a rapidly growing and economically vibrant community in the heart of America. Residents enjoy a diverse and rewarding environment with all the amenities of a metropolitan area but with the charm and hospitality of a small town. Boone County boasts the highest per capita income in the State of Kentucky, and ranks in the top 10% in the nation among all counties. We are home to over 56,764 jobs and more than 899 companies, including 97 internationally based companies. With over 40 miles of Ohio River shoreline and home to the Cincinnati-Northern Kentucky International Airport, Boone County offers great neighborhoods, schools, and shopping. Our quality of life ranks highly with 1,901 acres of park land and greenspace and an emphasis on creating a healthy community. Our median home price of \$175,400 and low tax environment make Boone County a convenient and cost effective choice for relocation.
